## Little Yogis Summer Camp with Instructor Erin Leach

(for ages 3-5; must be fully potty trained)

This 3-day mini-camp is a chance for your little one to gain some independence (and give you a well-deserved break)! Each two-hour session will include unstructured playtime, a yoga class, snack and story time, and a craft. Perfect for children who will be heading to preschool in the fall! Please provide a healthy snack and water bottle for your child each day, and we will do the rest!
